When you enroll in new medical coverage through Mercer Marketplace 365+ Retiree, Quest Diagnostics will provide you with an PRA (Premium Reimbursement Account) to offset the cost of your healthcare plan.

This PRA, set up in your name, is a special, tax-free account that you may use to reimburse yourself for eligible healthcare plan expenses as defined by your employer and the IRS. For a retiree and any applicable dependent(s) to be eligible for the PRA, you must enroll in medical coverage through Mercer Marketplace 365+ Retiree. A Reimbursement Instructional Guide will be provided in a separate mailing upon your enrollment in medical coverage through Mercer.

You will have assistance from a benefits counselor at every step.

A counselor will help you compare your health and prescription drug coverage options, and complete your enrollment when you are ready. You may also visit our website to learn more about the different plans and compare your coverage options. Refer to page 4 for more information about connecting with a benefits counselor.

In the meantime, review this Enrollment Guide.

What steps do I have to take to successfully enroll in my new plan?

This transition will be an easy one if you review the steps below and gather the requested information prior to your consultation. Doing so ensures you will be accurately and efficiently enrolled in the plan that best fits your needs and budget.

STEP 1: Upon receipt

- Review this Enrollment Guide.
- Because you are 65 or older and Medicare-eligible, be sure you have enrolled in coverage for Medicare Parts A and B. You must have already enrolled in both in order to enroll in medical coverage with Mercer Marketplace 365+ Retiree. Contact the Social Security Administration at www.ssa.gov or by calling 1-800-772-1213 (TTY 1-800-325-0778) if you have not yet enrolled in Medicare Part B.

STEP 2: Schedule your consultation

Consult with a licensed benefits counselor

Go online at quest.mercermarketplace.com to schedule a one-on-one consultation with a licensed benefits counselor. From the navigation bar at the top of the page, click “Schedule a Consultation.” If you prefer, you may also call to schedule. It is important to act NOW to select your date and time. Don’t wait until the end of your enrollment period approaches before making this appointment; doing so may leave you with a short amount of time in which to make a decision. If you have signed up for text messages or email updates, you will receive a text/email confirmation once you have scheduled your consultation.

STEP 3: Before your consultation

Preparing for your consultation

Start by keeping track of your individual healthcare coverage needs. Providing correct and complete information will help your benefits counselor analyze your health plan coverage specifics:

- Use the worksheet on page 15 to list your important healthcare providers and prescription drugs; you may enter your prescription drugs online by visiting quest.mercermarketplace.com.
- Think about plan features that are important to you.
- Prepare any questions you may have for your benefits counselor.
- Have your Medicare insurance card handy, but do not mail or fax this information.
- Gather any documentation that pertains to a Power of Attorney, if applicable to you.
- Go online to visit our website: quest.mercermarketplace.com. Our online tools are easy to use, and utilizing them can help you feel more comfortable with this process and also reduce the amount of time you spend on the phone with your benefits counselor.
- If you have signed up for text messages or email updates, you will receive a text/email 24 hours before your consultation with a reminder of the steps listed above.

STEP 4: The consultation

Explore your new plan options when you consult with your benefits counselor

Please take this opportunity to utilize your benefits counselor and his or her health insurance expertise. He or she will present you with all of your options so you can feel confident about the decision you are making.

STEP 5: Avoid a gap in coverage

Enroll in your new plan with your benefits counselor

When you are ready to enroll in your new plan(s), you will:

- Have your benefits counselor complete your enrollment over the phone; online self-enrollment is available only with certain carriers.
- Be sent any forms that are required; please review, sign, date, and return promptly.

STEP 6: Coverage begins

Begin coverage in your new plan(s).

STEP 7: After enrolling in your new plan(s)

After your effective date, you:

- May be contacted by your new insurance carrier in order to verify your enrollment; please do not ignore this request, as doing so could delay or nullify your coverage.
- Will receive your new insurance cards by mail from your insurance carrier(s) after your enrollment has been processed; please review them for accuracy.
- Will receive a confirmation of enrollment with helpful next steps and FAQs if you have signed up for text message/email updates.

STEP 8: Preparing to use your subsidy

Set up your PRA

You will receive additional information in a future mailing outlining how to set up and utilize your PRA.

STEP 9: Ongoing

Please retain this Enrollment Guide as it will serve as an ongoing reference for your health insurance transition.

Open your camera on your smartphone or tablet and place your camera over this code. You will be directed to our website where you can schedule a consultation, chat with our experts, or research your plan options.

How can I learn more about my Medicare options?

In most cases, when a person enrolls, they will choose between these options.

What other insurance options should I be considering to round out my coverage?

During your consultation with your benefits counselor, he or she will review all of your benefits options with you, discuss your personal situation, and answer any questions you may have. Your benefits counselor will help educate you about additional insurance options available that you may wish to consider in order to make the best possible decision for you and your family.

DENTAL INSURANCE THROUGH MERCER MARKETPLACE 365+ RETIREE:

Enrolling in dental insurance can be a cost-effective way to address the costs of annual exams and related services such as fillings and extractions. Dental insurance can play an important role in your health. Since people with dental insurance are more likely to visit the dentist, a solid insurance plan can help you maintain good oral health, which promotes your overall health.

Vision insurance is a type of supplemental insurance that can help pay for yearly eyesight exams, glasses and/or contact lenses. With vision insurance, you will also have access to eye doctors who are focused on keeping your eyes healthy by detecting conditions such as glaucoma or cataracts.

You may go online to view your additional insurance options and enroll in a plan of your choice.

- Start by visiting the homepage at quest.mercermarketplace.com.
- Under the 'Shop & Compare' section, click on the box to the far right titled 'DENTAL, VISION, & OTHER OPTIONS' (Please see the areas in **green** boxes below.) You may explore other insurance options such as Dental and Vision.

? How does my PRA work and how will I be reimbursed?

Your former employer is providing a Premium Reimbursement Account (PRA) for their retirees and eligible dependents. A PRA is a “notional” account established in your name by Quest Diagnostics. “Notional” means a bookkeeping entry will be established on your behalf; no specific funds are set aside for you and your PRA does not earn interest. Instead, to help offset your healthcare costs, Quest Diagnostics will reimburse your eligible medical plan premiums up to the amount credited to your notional account. Quest Diagnostics may decide to increase, decrease, or terminate the PRA credit at any time.

Once you select your new plan(s), you will first pay your premium(s) directly to your insurance carrier(s), then you will submit a claim for premium reimbursement. The retiree will be reimbursed from available funds in the PRA. Any balance left in your PRA at the end of the year would remain available until March 31st of the following calendar year. You must submit a claim for reimbursement of medical, prescription drug, and dental plan premiums paid during the calendar year by this March 31st deadline.

You will receive additional information in a future mailing outlining how to set up and utilize your PRA. Remember, the retiree is the primary PRA account holder and is responsible for the submission of all claims.

What type of assistance is available to me after I enroll?

We are here to help beyond your initial enrollment

Once you have enrolled in your medical plan(s) through Mercer Marketplace 365+ Retiree team, your benefits counselor is available to provide assistance with any healthcare plan related matter. If you have questions about your plan or problems resolving an issue with a carrier, help is just a click online or a phone call away.

What to expect in the years to come

Typically, if you like your healthcare plan(s), and the carrier continues to offer the plan(s), you do not need to re-enroll each year. However, there are a few things you will need to consider each fall:

- We will send you a reminder that the Open Enrollment Period is approaching. If you do wish to make a new healthcare plan election, keep in mind the Medicare Open Enrollment Period is typically October 15–December 7.
- By law, your insurance carrier is required to send you information about plan or pricing changes. Please be certain to open, review, and save all of this documentation.
- If you are considering making a change to your healthcare plan, please be certain to contact a Mercer Marketplace 365+ Retiree benefits counselor BEFORE making any changes on your own. There are implications you will need to consider, and our benefits counselors are trained at making sure you understand these prior to enrolling in a new plan.

Where can I find answers to additional questions I may have?

We recognize your health plan choices and costs are important to you. Below you will find answers to many questions frequently asked by retirees and their dependents.

HOW IS MY HEALTH INSURANCE CHANGING?

You will soon turn 65 and become eligible to enroll in Medicare, OR you are already enrolled in Medicare and will soon be retiring from the company where you are currently employed. As such, your current health plan coverage will end and you will need to choose a new plan to ensure you have the coverage you need going forward.

HOW WILL I OBTAIN MY NEW HEALTH INSURANCE?

In order to help you find the plan that best fits your needs and budget, your company has partnered with Mercer Marketplace 365+ Retiree to guide you through the process from beginning to end. Mercer Marketplace 365+ Retiree will be your single point of contact for healthcare insurance issues — before, during and after the transition to your new plan(s).

HOW WILL I PAY FOR MY NEW HEALTH INSURANCE?

You will now pay your premiums directly to the insurance carrier for your retiree healthcare coverage and you will be reimbursed by from your PRA. You can be reimbursed for your premiums via direct deposit into your bank account or a paper check. For additional details about your PRA, you may refer to the Reimbursement Instructional Guide you will receive after enrolling in medical coverage through Mercer.

WILL I BE REQUIRED TO CHOOSE A NEW DOCTOR?

It depends on the health insurance strategy that you choose. Medicare Supplement plans allow you to choose any doctor that accepts Medicare, while Medicare Advantage uses networks of doctors who accept only certain plans. Your Mercer Marketplace 365+ Retiree benefits counselor will help you find a plan that works with your doctor.

Where can I find answers to additional questions I may have? *continued*

HOW LONG WILL THE APPOINTMENT WITH MY BENEFITS COUNSELOR LAST?

In general, you'll spend about 60 to 90 minutes on the phone speaking with your benefits counselor. The length of the call will depend on whether you enroll that day or want to include a family member or caregiver, or a power of attorney on the call. The length of your appointment will also depend on how much preparation you wish to do in advance.

Remember, your benefits counselor is an excellent resource and will take as much time on the phone or in a future conversation as you need to feel comfortable with your enrollment decision.

If you go online to the Mercer Marketplace 365+ Retiree website prior to your consultation to enter your prescription drugs, your appointment could be much shorter. See the checklist in this Enrollment Guide for details on how to prepare for your call.

IF I NEED ASSISTANCE WITH ENROLLING, CAN SOMEONE SPEAK WITH MY BENEFITS COUNSELOR ON MY BEHALF?

If you complete and sign a Personal Information Authorization form, anyone listed on the form can assist you with your plan information and/or selections. However, a durable Power of Attorney (POA) document must be on file at Mercer Marketplace 365+ Retiree for anyone but the retiree to enroll in healthcare coverage. Anyone who is listed on the durable POA can act on behalf of the retiree in all insurance capacities.

Where can I find answers to additional questions I may have? *continued*

IF I LIKE THE BENEFITS COUNSELOR I HAVE MY CONSULTATION WITH, CAN I REQUEST THAT SAME PERSON AGAIN?

The person you enjoyed dealing with before may not be available due to other scheduled appointments when you call. Every benefits counselor must, by law, be licensed, certified, and appointed to talk with you about the plans in your specific geographic area.

Please be assured that if you can't reach the benefits counselor you request, all of your information is available in our secure system, and another benefits counselor will be able to assist you.

DO I NEED TO ENROLL IN MEDICARE PART B?

Yes, in order to qualify for a Medicare Supplement or Medicare Advantage plan, you must be enrolled in both Medicare Part A and Part B, and continue to pay for those premiums.

DO I NEED TO ENROLL IN A MEDICARE PART D PLAN?

Medicare recommends that you enroll in a plan when you are first eligible, both to gain access to discounted prescriptions and to avoid Medicare's permanent late enrollment penalty.

Where can I find answers to additional questions I may have? *continued*

WILL MY NEW COVERAGE COVER ME IF I TRAVEL?

When traveling domestically, as long as a hospital, clinic, or doctor accepts Original Medicare, Part A, and Part B, healthcare providers will accept your Medicare supplement plan. For Medicare Advantage plans such as HMOs and PPOs, there will be network restrictions when traveling outside of your plan's area. Your licensed benefits counselor can provide additional details on healthcare benefits while traveling during your consultation or at any point throughout the year.

IF I DON'T LIKE THE PLAN I'M ENROLLED IN, WHEN CAN I CHANGE?

Medicare Supplement plans can be changed at any point during the course of the year, but may require underwriting to do so. There is a one-time window of guaranteed insurability after your initial enrollment into Medicare or after you leave a terminating group plan. After that window closes, carriers may ask you underwriting questions if you are changing your plan. Each carrier has its own rules, so **it is important to discuss any changes you may wish to make with your licensed benefits counselor.** There is no medical underwriting for changing Medicare Advantage plans, however, Medicare Advantage and Medicare Advantage Prescription Drug plans only accept enrollments during the Annual Enrollment Period (October 15th–December 7th) for a January 1st effective date. Additionally, Part D prescription drug plans can only be changed during the same Annual Enrollment Period for a January 1st effective date.

The insurers whose policies you may enroll in are separate and independent from Mercer Marketplace 365+ Retiree. Mercer Marketplace 365+ Retiree is not responsible for any insurer's or service provider's failure to provide coverage or service, including but not limited to any failure resulting from the insurer's or service provider's current or future financial condition or solvency. From time to time, insurance companies may become insolvent and fall into receivership with the state's insurance regulatory authority. In addition to potential access to state guarantee funds, these state departments also may provide financial information. See your state's department of insurance website for any information they may provide. While each state does impose its own minimum capital and surplus requirements on insurers, Mercer Marketplace 365+ Retiree also advises that you consider the ratings of an independent agency. Independent agencies, such as A.M. Best (www.ambest.com), may also issue ratings describing their evaluation of an insurer's financial ability to honor its insuring obligations. Insurers receive different ratings. Some insurers available to you fail to achieve the agency's rating for superior or excellent. Mercer Marketplace 365+ Retiree recommends that you carefully consider financial information provided by both state insurance regulators and independent rating agencies when purchasing insurance coverage.
